## Mission Statement

---

With over 100 members, Indianapolis Radio Club has made it our purpose and goal to increase the public interest and promote the education and testing of new amateur radio users, continually providing a community dialogue about recent advances in technology and emergency communications.

## Activities

---

- **Monthly Club Meetings**  
We present the best and relevant programs and technology related to amateur radio at our gatherings.
- **Dayton Hamvention Bus Trip**
- **USS Indianapolis Event**
- **Annual Equipment Auction**
- **IRC Hilltop Event**
- **Kids' Day**
- **August Broad Ripple Hamfest**
- **Field Day (in 2008)**
- **Christmas Dinner**  
Awards are given at the end of every year.

## Newsletter

---

IRC releases a monthly newsletter, to remind its members of club meetings and upcoming events. You can receive it via e-mail in .PDF format. For more info, refer to <http://www.indyradioclub.org>.

## Training

---

The Indianapolis Radio Club offers express courses to aspiring hams, assisting them in earning their General and Technician licenses. These can be scheduled by contacting us through our email, [indyradioclub@yahoo.com](mailto:indyradioclub@yahoo.com) or by speaking with one of the officers at the club meetings.

## VE Testing

---

The IRC sponsors VE testing every first Saturday of each month at the Indianapolis Training Center, located at 2820 N Meridian Street. Testing is available for all classes (Technician, General, Extra). Testing begins promptly at 8:00 a.m. Please refer to the website for further details.

## Ham Youth

---

Starting in 2005, the Indianapolis Radio Club sponsored the Young Ham Group, which currently has 15 members throughout the Indianapolis community.
