Dear O's

I am one of the 1100 who read
your 50th anniversary announcement,
but I'd bet you not more than one or
two who received it had actually
been a member of your club before
War I!

I recall that I went to meetings
in the then new Merchants Hall Bank
Bldg in late 1916 and early 1917 just
before I enlisted in the Regular USN
April 17/1917. My call was 9QW.

I also recall Carl Shaw's C.R. on
(wasn't he 9QW?) Is Fred Fine-
hant 9PI still alive? How about
9IP Ed Nell? I recall
NELL
Harvey Silcox. Test report it will
be 50 years since Major Dillon
from Chicago Radio Commission came
to help and got us our tests.

5 W.P.M. mod you!
